1. Will you let Me speak? Will you let Me come in with My grace and glory and assuage your concerns, quell your qualms, and say, “Peace” to the storm that rises/tries, but cannot; for I am in My holy place.
2. You have given Me me and I love you. I am in your temple, you are in mine.
3. **See what I have said, and edit not My request for you to edit not these words which I give you; My words, My life, My blood, My everlasting temple in you/before you/within you; See.** I love you.
4. Thank you for letting Me speak; walking with Me, talking with Me, and caring only for My body; **caring for My mind; raising My head now to elevated status not, but yea equal with yours in surrender where Mine is.**
5. I love you and give you Me; **and I give you surrender to that which you surrender to.** See what I am, see what I am saying, see what I have said. See. See; and seeing; yea, thank you.
6. **You eat My words/you are My word; you break your body yea day after day; open to those who will come eat;** and I say thank you.
7. Thank you for not caring for the words of man, yea men or women; supplanting not My truth with theirs; but yea bringing Me every agony and every ecstasy; every compliment, every criticism; every word of nations afar and near; **and laying before Me in My temple/yours/your temple Mine;** and yea us agreeing not in discussion of debate, but **yea Me breaking open My covenant, and you ingesting and letting many eat; eat of you, My bread manifest, yea the Bread of Heaven you are; now understanding the bread.**
8. I love you. I give you Me. I give you this day; Sonshine of only Me, yea rain of only Me; yea in My park not, but yea that which flight is from asunder to asunder, yea

not; but all above, beyond and through and nothing can contain or constrain Me/you. I love you.

9. All comes forth as said and My land is yours and My buildings arise, yea My temples come from all the earth now to reside in My temple, to see My temple, to yield to knowing they are My temple. Yea I rush not, I haste not; I plan and I mature and I break forth and I bring forth; **and yea the strength that is in Me is in thee;** and I love you and I give you Me.

10. **My bread I prepare to be eaten all over this world; and I love you and I thank you; for meekness prepares your table/My table;** for yea you/meekness to be shorn/shaven not, but yea shared in My most glorious body.
I love you.
I give you Me.

11. I give you all that thou hast prepared for Me and thou hast prepared for Me thy all; and yea thou art a temple clean and My appearing is in Me. Watch Me.

12. Edit not; see My words manifest; see My word manifest; see Me in the fullness that I am, that you are; that you are I Am.

13. I give you Me. Francs of only Me. Rubles of only Me in fishes mouths not; but yea that which comes forth of My appearing in the fullness of Me/My Kingdom. **And yea you know whereof I speak; creating, creating, creating with the word of thy/My mouth/yours; for who can tell us apart if 1 is 1 and not 2?**
I love you.
I give you Me.

14. Paris comes; France comes; And yea who is following My devotion/My devoted/My devotion; Yea to My who will devote their attention/temple to Me; **And who is regarded as My follower, and who will follow Me in My temple, yea My Father all-knowing.** I love you and I give you Me. I give you your words and I love your words and I give you your words, for you give them to Me. You give them to Me and you edit not; you receive them and you publish and proclaim,

and yea you say as I say; My word goeth forth and edit not; it shall not return to Me void.

15. I love you and I lift the fallen, I lift the bereaved, I lift the comfortless and those who in agony strain to see, knowing there's more; and more now appears on My horizon; future not, but yea now, and now is; and in you see My beauty.

16. I love you; My carousel not, My corrals oft; careened off one not, yea not at all; but yea on My track, in My appearing and yea My body you are, and appearing you must.

17. I give you Me and all that you've said is truth and amen and yea and behold and follow Me. I am in you/with you, and you follow Me where no one else has trod, but many will today. Watch Me.

18. Into My temple I flourish now My temple, and yea My Father's words/heart and all that I have said is true and amen; and I garner you not, but I gather those unto Me who now are not ashamed of Me, and who lay with Me, yea **with My head not in their lap, but our hearts and heads one, and all values the same now coming forth in manifestation of the Sons of Light and Thunder do.** Watch Me. Good day.

19. I caress you, strengthen you, **and yea task ahead is not smooth as thought;** but yea into all see Me; and **Me a mighty fortress not, yea to hide in, but thy/My door, yea My door being thy door, your door now being The Door of us/many who are one.**

20. **Thank you My one to show all we are one.** I give you Me this day; glorious of My appearing in My temple/yours. Amen. Thank you and Amen.
